Re: Interlocal Agreement with Guadalupe County

Guadalupe County is requesting a renewal of the interlocal agreement with the Seguin Fire Department to provide fire protection service to residents living in unincorporated areas of the county. The contract also provides for backup fire protection to the volunteer fire departments serving these areas. The City of Seguin will receive a net annual sum of \$189,784 for services rendered. This amount represents nearly a 12 % increase from the previous contract amount. The term of this agreement will be for one year, ending September 30, 2018.

Staff would like to submit a resolution to Council to enter into an interlocal agreement with Guadalupe County. Attached is the resolution and agreement and supporting documents for your consideration.
