Subject: Two-Hour Parking Removal

Date: December 11, 2017

Guadalupe County has requested the removal of the two-hour parking restriction within the 100 block of East Donegan. Currently the south side of the block is designated as all day parking and the north side is designated as two-hour parking. This change would benefit the Courthouse and several of the businesses along River Street who have requested a need for additional all day parking near their businesses.

The Seguin Main Street Advisory Board will be discussing this request at their meeting on Monday, December 18 and staff anticipates their approval of the change. Staff recommends the approval of the removal of the two-hour parking restriction on the 100 block of East Donegan.
