Re: **Cancellation of Election for City Council Member District 5 and 8**

The deadline to file as a candidate to be placed on the November 6, 2018, general election ballot was 5:00 p.m. on August 20, 2014. For City Council Member District 5 only one candidate, Reverend Jeremy Roy, filed; and for City Council Member District 8, only one candidate, Mark Herbold, filed. No person came forward to register as a write in candidate.

The proposed Ordinance would cancel the election for these two Districts and declare the sole candidates as elected to office (effective on the date of canvassing). It is expected that the City would see some savings in election costs as it would not need to share in the costs associated with the polling places and programming the election equipment in these two districts.
