

MEMORANDUM

To: Mayor and City Council Members
Douglas Faseler, City Manager

From: David Rabago, P.E., CFM, City Engineer

Through: Rick Cortes, Assistant City Manager

Subject: Engineering Services Walnut Branch Sanitary Sewer Main Phase III

Date: January 28, 2019

Staff is requesting approval of a professional services agreement with TRC for engineering services for the Walnut Branch Sanitary Sewer Main Phase III project in the amount of \$178,085.00. TRC's scope of work includes the design of the sewer main, preparation of construction documents, and bidding administration. It also includes final inspection and record drawing preparation.

The project will consist of the installation of approximately 3,400 linear feet of 30" sanitary sewer gravity main within Walnut Branch from the north side of West Kingsbury Street to New Braunfels Street (north side of the railroad).

The engineering services agreement will have \$174,205.00 funded from project funds and the difference of \$3,880.00 from the 2018 Utility Revenue Bond budget.

Staff recommends approval and will be available to answer any questions at the February 5, 2019 City Council Meeting.
