Subject: Texas Capital Fund Historic Downtown Sidewalk Project Final Public Meeting.

The City has completed construction on the Downtown Sidewalk Project and per the requirements as lined out by The Texas Department of Agriculture; the City must host a final public hearing on the project to complete the closeout of the project.

The project was funded via the Texas Capital Fund for \$150,000.00; the City contributed \$99,688.69 of city funds.

The project included constructing more than 700 SF of concrete sidewalk and new ADA accessible ramps. The contractor on the project was D&S Construction. The project was completed within the timeline provided to Texas Department of Agriculture.

Following this public meeting, staff will complete the closeout requirements and will submit the final project paperwork to Texas Department of Agriculture.
