Re: Board and/or Committee Appointments

Commission on the Arts

In April 2016 the Commission on the Arts amended their bylaws to have up to nine members, currently there are seven members. Vicky Nielsen would like to serve on the Commission on the Arts Board, therefore I recommend the appointment of January 1, 2019 through December 31, 2020.

This appointment will be submitted to City Council for consideration and approval at the February 19, 2019 meeting. Should you have any questions please give me a call.
