

**MEMORANDUM**

**To:** Mayor and City Council Members  
Douglas Faseler, City Manager

**From:** David Rabago, P.E., CFM, City Engineer

**Through:** Rick Cortes, Assistant City Manager

**Subject:** Award of Bid - Hidalgo Street and Roosevelt Drive Utility and Roadway Improvements Project

**Date:** March 20, 2019

On February 26, 2019 the City of Seguin opened bids for the Hidalgo Street and Roosevelt Drive Utility and Roadway Improvements Project. The project will consist of the installation of street and utility improvements on Hidalgo Street from Kingsbury to New Braunfels and Roosevelt Street from Austin to east of Woodland.

Four sealed bids were received for the project, which ranged from \$2,273,286.63 from D Plata Construction, LLC, to \$2,749,519.00 from R.L. Jones LP. Juan Sierra, Vice President with Freese and Nichols, Inc. and city staff have reviewed the proposed bids and recommend awarding the contract to Rocking Q Construction, LLC based on positive references and being the lowest qualified bidder. D Plata Construction exceeded the maximum 5% total base bid amount for mobilization/demobilization as set out in Bid Form. Furthermore, upon checking references, it does not appear D Plata Construction has the roadway experience as specified in the Contract Documents.

Please find attached Recommendation of Award of Contract Letter from Freese and Nichols, Inc. dated March 18, 2019 recommending that Rocking Q Construction, LLC be awarded the construction project in the amount of \$2,416,855.00. Staff concurs with this recommendation and will be available to answer any questions at the Tuesday, April 2, 2019 City Council Meeting.
