Mutual Aid Agreement

THIS AGREEMENT is made and entered into by Gonzales County EMS & Rescue and City of Seguin EMS this ____ day of _____ 2019, and shall remain in effect until revoke in writing by either party.

Definition of Mutual Aid : Assistance provided by one provider to another whose resources are overwhelmed.

The undersigned parties desire to enter into a mutual aid agreement wherein the equipment, facilities and trained personnel of each are available to the other on an as-requested basis as per the above definition. It is hereby agreed as follows:

SCOPE OF AGREEMENT

A. The parties agree that a request for mutual aid may be made for both emergency and non-emergency traffic. Upon request the on-duty supervisor shall determine what resources are available, and shall send those resources to the location designated by the requesting agency. The request must include the type and amount of equipment, the level of certification of personnel needed.

B. During the term of this agreement the parties agree to provide upon request of the other party such equipment, facilities and trained personnel as may be requested, unless such action would prevent or disrupt adequate service and /or protection of its own area of jurisdiction and responsibility, to include canceling a responding unit for mutual aid and returning to the responding agencies service area.

C. If there is conflict between the operating procedures and professional standards of the providing party and the requesting party, the respective operating procedures and professional standards of the providing party will control.

D. Collection for services rendered:

1. Billing and collections for services rendered shall be the sole responsibility of the responding agency.
2. The requesting agency shall assist in obtaining billing information and provide such information within seventy two hours to the responding agency.
3. The responding agency, or their representatives, shall not hold the requesting agency or their agents responsible for services rendered.
4. The responding agency agrees to charge no more than 10% above the area average for same services rendered.
