Re: Board and/or Committee Appointments

Main Street Advisory Board

The Main Street Advisory Board has one vacancy which is a Hispanic Chamber of Commerce member. Isabel Lara has been nominated to serve on the board as the Hispanic Chamber of Commerce representative. Therefore, I recommend Ms. Lara's appointment to fill the unexpired term through December 31, 2021.

The appointment will be submitted to City Council for consideration and approval at the August 6, 2019 meeting. Should you have any questions please give me a call.
