**To:** Seguin City Council  
Doug Faseler, City Manager

**From:** Dana Losey, Grants Coordinator

**Subject:** Safe Routes to School

---

The Texas Department of Transportation is currently accepting applications for the Safe Routes to School Grant Program. On June 18, 2019 TxDOT moved the City of Seguin's SRTS Weinert Sidewalk project to the second round of the grant process. The City of Seguin is applying for funds to construct approx. 1700 LF of accessible 5" wide concrete sidewalk within the public right-of-way. Improvements will include accessible curb ramps and crosswalks to improve and ensure pedestrian safety along the following roadways: North Heideke Street between East Seidemann and East Kingsbury Street (Main Route to Weinert ES) North Bruns Street between Pine and E. Weinert Street (Secondary Route to Weinert ES)

The City requested grant funds in the amount of \$685,351.00, there is no match required for this grant program, but the City will be required to pay an estimated \$62,229.00 in environmental and PS&E. Staff will submit this application on time on August 15, 2019.

Staff requests approval to submit the final application for this grant program.
