

MEMORANDUM

To: Mayor and City Council Members
Douglas Faseler, City Manager

From: David Rabago, P.E., CFM, City Engineer

Through: Rick Cortes, Assistant City Manager

Subject: Award of Bid – Chaparral Drainage Improvements

Date: September 23, 2019

On September 3, 2019 the City of Seguin opened bids for the Chaparral Drainage Improvements Project. The project will consist of the installation of drainage improvements at the Chaparral Subdivision.

Five sealed bids were received for the project, which ranged from \$236,679.73 from C-3 Environmental Specialties, to \$404,167.25 from Shannon-Monk, Inc. Beau Perry, Vice President from TRC, Inc. and City Staff have reviewed the proposed bids and recommend awarding the contract to C-3 Environmental Specialties based on positive references, experience with similar projects, and being the lowest qualified bidder.

Please find attached Bid Award Recommendation Letter from TRC, dated September 13, 2019 recommending that C-3 Environmental Specialties be awarded the construction project in the amount of \$236,679.73. Staff concurs with this recommendation and will be available to answer any questions at the Tuesday, October 1, 2019 City Council Meeting.
