

TO: Mayor and City Council Members  
Doug Faseler, City Manager

FROM: Naomi Manski  
City Secretary

DATE: October 7, 2019

As you are aware, National Night Out in Texas is always the first Tuesday of October, as well as our City Council meeting. I am proposing that the City Council consider moving the city council meeting to Monday, October 5, 2020. That way Council Members can visit more neighborhoods.

Staff is recommending approval of holding the first meeting in October 2020 on Monday the 5th. Should you have any questions please don't hesitate to give me a call.
