

MEMORANDUM

To: City of Seguin Mayor and Council Members
Steve Parker, City Manager

From: Pamela Centeno, Director of Planning & Codes

Through: Rick Cortes, Assistant City Manager

Subject: ZC 24-19 (NW Corner of SH 123 and Strempel)
Zoning Change from Light Industrial to Multi-Family Residential-3 (MF-3)

Date: January 28, 2020

The undeveloped property at the northwest corner of State Hwy. 123 and Strempel is currently zoned Light Industrial. A potential buyer is proposing a mixed-use development for the 48-acre tract that transitions from higher density residential and commercial uses along Strempel to a medium density residential area on the northern portion of the property. The applicant has submitted three separate zoning change requests for the property. This request is for the southern portion of the property with frontage on SH 123 Business and Strempel, which is proposed for a multi-family development. Except for a few residences along SH 123 Business, the majority of the existing land uses near this site are commercial and industrial.

Staff presented a favorable recommendation to the Planning and Zoning Commission on January 14, 2020. Following a public hearing, the Commission voted to recommend approval of the zoning change request to MF-3. Attached please find copies of the Staff Report, map exhibit showing the affected area, the Final Report of the Commission, and the Ordinance for the zoning change.
