Re: Affiliation Agreement with Texas Fire Academy

The Seguin Fire Department has affiliation agreements with several community colleges and other EMS training institutions for the purposes of serving as a clinical site for their students enrolled in emergency medical technician and paramedic programs. Seguin Paramedics serve as preceptors for the student riders allowing them to learn or hone skills in emergency medical services. Terms of these agreements include the learning institution providing professional liability insurance for their students and faculty.

The current affiliation agreement with Texas Fire Academy is due for renewal. Staff recommends the renewal of this agreement. This agreement will expire December 1, 2021.

Attached is the affiliation agreement and resolution for your consideration.
