Subject: Water / Wastewater Treatment Plant Improvements – DEDUCT CHANGE
ORDER #9

Date: February 18, 2020

On April 3, 2018, City Council awarded a contract to RP Constructors, Inc. for Water / Wastewater Treatment Plant improvements in the amount of \$7,103,316.00. Staff is requesting Change Order #9, for a deduction of \$146,693.00, to adjust the new contract total to \$7,037,284.00.

This change order accounts for various items added or deleted from the scope of the original contract. Certain items included in previous change orders became unnecessary. For example, change order #6 approved funding to provide an interior liner in four of twelve filters. As work progressed, no leaks were observed therefore the interior liner was deleted. The sum of all such occurrences yields this deduct change order and is necessary to adjust the contract total.

Staff recommends approval of this deduct change order in the amount of \$146,693.00 and will be available to answer any questions at the Tuesday, February 18, 2020 City Council Meeting.
