**RE: Geronimo Creek WWTP Expansion  
Expansion to 12.0 MGD Average Flow  
Engineering Services Contract Amendment No. 1**

Dear Mr. Howe:

On August 29, 2019, TRC Engineers, Inc. (TRC) submitted an Engineering Services Proposal to the City of Seguin (City) to provide engineering and construction services for the expansion of the Geronimo Creek WWTP to 5.54 MGD average flow. The proposal was agreed upon by City Council and was executed on October 3, 2019. Under the current fiscal year, the City budgeted for Phase 1 of the proposal in the amount of \$1,100,000.

With Council approval, the City has decided to expand the treatment plant to 12.0 MGD average flow and requested that TRC use the remaining funds from Phase 1 of the August 29<sup>th</sup> proposal towards the preliminary design of the 12.0 MGD facility. The preliminary design will consist of topographical surveying, geotechnical services, preparation and submittal of the TCEQ discharge permit amendment, engineering report required for funding by the Texas Water Development Board, environmental services and preliminary engineering design, as follows:

Topographical Surveying:	\$49,800
Geotechnical Services:	\$75,575
TCEQ Discharge Permit Amendment:	\$103,451
TWDB Engineering Report:	\$95,672
Environmental Services:	\$15,000
Preliminary Engineering Design:	\$760,502
<b>Phase 1 Total:</b>	<b>\$1,100,000</b>

This engineering services contract amendment is valid for a period of time not to exceed 60 days from the date of this letter.

We appreciate the opportunity to assist with this project and are available to proceed immediately with your written approval.
