Steve Parker, City Manager

From: Kathy I. Wood, Grants Administrator

Subject: Resolution to Provide Seguin Independent School District with CARES Act funding to Purchase Distance Learning Equipment

The City of Seguin received \$1,718,145 in Coronavirus Relief Funds (CRF) funds from the CARES Act. The CRF funds can be used to facilitate distance learning. The CRF funds can also be "moved" to other entities, provided that entity uses the funds for the intended CRF purposes and follows all federal guidelines.

Seguin Independent School District (SISD) has requested the City to facilitate their distance learning program by providing \$59,050.00 that will be used by SISD to match funds available from TEA for the purchase of student laptop computers and hotspots.

The City will enter into an Interlocal Agreement with SISD to provide \$59,050 to be used as a match by SISD for their grant with TEA.

Staff recommends authorizing this Resolution.
