

MEMORANDUM

To: Mayor and City Council
Steve Parker, City Manager

From: John Donnelly, Director of Public Works

Subject: Interlocal Agreement
City of North Richland Hills

Date: January 13, 2020

The Interlocal Cooperation Act found in Texas Government Code, Chapter 791 encourages local governments to contract with one another to increase efficiency and effectiveness.

The City of North Richland Hills has awarded a contract for slurry seal to Intermountain Slurry Seal Inc. of North Salt Lake City, UT. To purchase the product at an economical price, the City of Seguin must piggyback on their contract and enter an Interlocal Agreement with the City of North Richland Hills.

A quote was obtained from the contracted vendor in the amount of \$59,960.00, to provide slurry seal for the Sagewood Parkway Subdivision Improvement Project.

Following approval of the Interlocal Agreement, a purchase order would be issued to Intermountain Slurry Seal, Inc., for the product purchase.

Staff recommends approval and will be available to answer any questions.
