Probable Cause vs Consent

Summary

- **Motor vehicle stops closely mirror the make up of the community:**
 - **Seguin census**
 - **Guadalupe County census**
 - **Motor vehicle crash data**
- **White drivers were more likely to receive a citation, however the majority of drivers stopped received a warning (71% average)**

Summary

- **97% of 7433 traffic stops did not result in a search**
- **White drivers were searched at a lower rate than other races**
- **When a vehicle was searched across all races stopped, 66% of the time on average there was probable cause to search the vehicle**

Summary

- **The Department received no complaints or racial profiling or biased-based policing in 2020**
- **The Department's policies are in compliance with State law and the Texas Police Chief's Recognition Program.**
