On March 23, 2021, five (5) bids were received to apply a Double Course Surface Treatment, Grade 5 aggregate, Grade 5 Trap Rock. The bids range from a low base bid of \$198,612.80, from Clark Construction of Texas, Inc., of San Antonio, Texas to a high base bid of \$247,333.60, from CK Newberry, LLC of Karnes City, Texas.

Staff has received less favorable references from the low bidder, and therefore, recommends project award to the second low bid received from Lone Star Paving of San Antonio, Texas, in the amount of \$223,287.52. Lone Star Paving was awarded the annual chip seal maintenance contract for the city in 2016, 2017 and 2019. Staff will be available to answer any questions.
