Dear Mr. Parker and City Council,

The COVID-19 pandemic is causing non-profit organizations to operate under heavy financial burdens. Our organization has fallen under this same burden. While our non-profit organization faces these increasing challenges, we continue to have ongoing fiscal obligations such as payroll, overhead, and note payments.

Our volunteers have worked tirelessly to organize this year's Fair for our community! While struggling with selling sponsorships earlier this year, we have partnered up with a local business in helping us sell sponsorships, but unfortunately, due to the pandemic, the sponsorships for the upcoming Guadalupe County Fair & Rodeo are significantly below the required budgeted amounts.

We are humbly asking for help! An abatement or reduction of the coliseum rental fees for this upcoming Fair on October 6-10, 2021, would be much appreciated and would further help us successfully obtain our goals in helping this community.

Thank you in advance for your consideration,

The GALFA Board of Directors
