RE: Purchase Wheel Roller

The City's 2021-2022 Budget provides \$145,000 for the purchase of a vibratory tandem wheel roller for the Public Works Department. A quote for a Sakai 58" dual drum asphalt roller was obtained for the sum of \$131,135 from Sakai America, Inc., of Adairsville, Georgia.

The quote is based on Sakai America's purchasing cooperative contract with the Houston-Galveston Area Council (H-GAC) of Government which is a political subdivision of the State of Texas. Through interlocal agreements the cooperative known as HGACBuy allows local governments to utilize their contracts which meet all State of Texas bidding requirements.

RDO Equipment in New Braunfels is an authorized dealer for Sakai and will provide delivery and local service for the equipment.

Financing for this purchase will be presented to City Council by Susan Caddell, Finance Director at a later date.

Staff recommends approval.
